:: Certificate No :: ICI/3773454/23

Issue Date : 06 November 2023
Valid Up to: 05 November 2026

The Certification body has performed a sample assessment of the above product (s) against the processes, assembly & final inspection of the certified product (s). The quality system has been assessed, approved and is subject to continuous surveillance according to Council Directive 90/100/EEC. No additional test report was carried out from submitted type sample of the product in conformity with the Specification of the respective standards except those submitted by the Customers. The CE mark as shown above can be used, under the supervision of the manufacturer, after completion of an EC declaration of Compliance with all relevant EC Directive. The statement is based on a single evaluation of one sample of above mentioned product. It does not imply a type assessment of the whole production. The declaration of conformity is issued under the sole responsibility of the manufacturer. Manufacturer declares under its sole responsibility that the product described is in conformity with all relevant Union Regulations.
